*Advanced Cardiac Care*

3300 NW Expressway • Oklahoma City, OK 73112

## Lung Program

The institute's lung program is the only one in Oklahoma. It serves the people of Oklahoma, Arkansas, Texas, New Mexico, Kansas and Missouri.

### We offer

- Pulmonary disease treatment
- Interstitial lung disease treatment
- Cystic fibrosis treatment
- Progressive PAH program

### At a glance

- Dedicated transplant intensive care unit staffed by full time transplant intensivists
- Extra-corporeal membrane oxygenation
  - √ Bridge to transplant
  - √ Post-operative support
- Advanced bronchoscopic interventions
  - √ Balloon dilatation
  - √ Bronchial stents
